

How do I register for a sport?

Registration for Middle School sports begins July 1, 2024 and can be found in Skyward Family Access.

Getting registered for sports will be easier than ever. Almost the entire process will be digital for the 24-25 School Year and can be done through Skyward!

1.) **Physical Exam** (once every two years) – proof of a physical exam that medically clears athletes to compete. [Click here for Physical Form](#)

A physical examination taken April 1 and thereafter is valid for the following two school years; a physical examination taken before April 1 is valid only for the remainder of that school year and following school year. If you have a valid physical from the last school year you can use the alternate year card. [Click here for Alternate Year Form](#)

The Physical Form and alternate year cards should be turned in via email to michelle.lastovich@slingerschools or brought to the Middle School office after August 1st.

Here are some helpful hints for you

- Incoming 6th Graders running cross country: need a physical
- 7th graders who ran cross country or wrestled last year: need an alternate year card
- 7th graders who did not participate in sports last year: need a physical
- 8th graders who ran cross country or wrestled as 6th graders: need a physical
- 8th graders who played sports last year only: need an alternate year card.

2.) **\$40 – Cash or a check made out to Slinger Middle School for Athletic Fee.** This can be paid through E-funds or dropped off at the Middle School office and covers your child for the entire school year.
